# PHILOSOPHICAL PROBLEMS & THE LAW

EXPLORE FOUNDATIONAL TOPICS IN  
PHILOSOPHY OF LAW ORGANIZED AROUND  
QUESTIONS ABOUT THE LAW'S AUTHORITY.

- What does it take for a norm to be a law?
- Are laws essentially authoritative so that we ought to obey them?
- Does the law have legitimate authority over us?
- Are there potential limits to legal authority?
- What justifies the exercise of law's authority in the form of punishment?
